# Scarcliffe Parish Council News

Newsletter for Hillstown, Palterton and Scarcliffe, November, 2018

## Village Hall restored

Palterton Village Hall has had a long overdue renovation.

Built in 1930, the well-loved old building has lately been plagued by leaks, rot, damp and mould, and the Parish Council was faced with many health and safety issues.

Last year new toilets were installed and the kitchen improved. In recent weeks the old asbestos roof and cladding has been completely replaced.

The newly-renamed Palterton Village Hall is once again a pleasant venue for community activities and is also used regularly by Palterton Primary School

Palterton Village Hall—before ...

Council Chairman Malc Crane says: *“The Hall has been part of the community for almost 90 years and Councillors are delighted to give it a new lease of life so it can serve the Parish for decades to come”*

## DEFIBRILLATORS

Scarcliffe Parish Council has bought three new state of the art iPad defibrillators.

These life-saving machines are now available in secure storage boxes at **Palterton Village Hall** and **Hillstown Methodist Church** with the location at **Scarcliffe** to be confirmed.

The boxes are easy to access and the machines are semi-automatic, and very user friendly. This large investment from Scarcliffe Parish Council is in response to the growing realisation that quick action by members of the public in cardiac situations dramatically increases the chances of the patient surviving.

**Defibrillators are located by the front doors of Hillstown Methodist Church and Palterton Village Hall. The Scarcliffe device has arrived, but its location is still being discussed. Check our website for news.**

## Defibrillator Training!

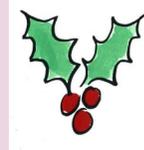

In partnership with East Midlands Ambulance Service, Scarcliffe Parish Council is providing **FREE** training on the new iPad defibrillator machines.

The training will take less than an hour and show you how to use the machines. Please come along and you may be in a position to one day save someone's life!

**Training to be held at Palterton Village Hall on:**

**Thursday 13<sup>th</sup> December 2018,  
6.30pm**

**Thursday 17<sup>th</sup> January 2019, 2pm**  
**PLEASE BE ON TIME!**

## Christmas Cheer!

The council is delighted to be awarding grants of £5 per head to **Scarcliffe Village Activities Committee** to put on Xmas parties for the Over 60s and Children.

**The Jubilee Club is looking for volunteers on Saturday, December 15th to help prepare meals for the Hillstown Over 60s.**

**Contact Cllr Malcolm Crane on 0124676921 or malcolmcrane@bolsover.gov.uk if you can spare a couple of hours.**

Other community organisations seeking to bid for a grant are encouraged to contact Brian Smyth, the Council Clerk, as soon as possible:

**Don't miss Mother Goose at the refurbished Palterton Village Hall. See the accompanying flyer for full details.**

**MERRY XMAS  
EVERYONE!**

## OTHER NEWS

We are in discussion with Derbyshire County Council about siting a new bus shelter on Mansfield Road, Hillstown, across from Nesbit Street.

**We have applied for a grant to redevelop the former play area on Cross Street. We are hoping for a response in the near future.**

The Parish Council would like to thank **Scarcliffe Village Activities Committee** for its kind donation of £100 towards the installation of our community defibrillators.

All Councillors have been asked to bring suggestions to our next meeting for **NEW PROJECTS** that will enrich our three villages. We hope to put together a list of local priorities to improve life in our communities in the next few years.
