The Councillor received a correspondence from BDC that the play equipment and fencing were to be removed from Cross Street and the scrap value of the metals would offset some of the costs to BDC. The Chair intervened to try and retrieve the fencing for Palterton and got a price for its removal and delivery to Palterton of £1500. The Chair asked if the Councillors were in agreement to pay £1500 and most were. However the BDC contractor agreed to fetch the remove and deliver the fencing to Palterton for £400 and the Clerk arranged for this to be done instead of using the initial contractor.
